DECLARATION OF ORIGINALITY

Except where reference is made in the text of this Capstone Project Report, I declare that this report contains no material published elsewhere or extracted in whole or in part from any works or assignments presented by me or any other parties for another subject. In addition, it has not been submitted for the award of any other degree or diploma in any other tertiary institution.

No other person's work has been used without due acknowledgement in the main text of the Report.

I have read the [University's Guidelines for Students on the Use of Generative Artificial Intelligence](#) and understand the restrictions on the use of GenAI tools in this Capstone Project. I understand that the work may not be accepted for assessment if its authenticity is questionable.

I have read the University's regulations and rules on academic studies as specified in the [Student Handbook](#) and fully understand that any discrepancy from the above statements will constitute a case of plagiarism and be subject to severe academic penalties that may lead to deregistration from the programme. The department reserves the right to check the paper and electronic submissions of the Report via various mechanisms, such as Turnitin.
